

City of Indianapolis Market Street Reconstruction

Proposed Recipient: City of Indianapolis

Address of Recipient: 200 East Washington Street Indianapolis, IN 46204

Amount: \$6,575,200

Subcommittee/Agency/Account:

Subcommittee on Transportation, Housing and Urban Development

DOT/Federal Highway Administration

Highway Infrastructure Programs

Explanation of Request: The funding would be used for the complete reconstruction of bricked Market Street from Pennsylvania and Delaware Streets in the heart of downtown Indianapolis. The current roadway is over 60 years old and in deteriorating condition. Improvements to the roadway will allow for Americans with Disabilities Act compliance and improve pedestrian accessibility throughout the corridor.
